has been sent to the Bureau of Combustibles for analysis. The police believe that she bomb contains enough dynamite to have demolished the building, in which eight families were sleeping at the time it was discovered.

The infernal machine was found by James Dolan, janitor of the spartment house. Policemen on post took it to the West One Hundred and Twenty-fifth atreet station: Attached to the bomb were two fuses, the ends of which had been burned. The dynamite was so planted that the force of the explosion would have been directed upon the bar-ber shop and the barbar's living a part. ber shop and the barber's living apart

Saittl is convinced that it was a Black Hand plot to assassinate him because of his activity in running down the kidnappers of his brother Tony's six-year-old boy a year ago. Saitti has a barber shop brokerage business he conducts from offices in the Bowery Bank Building. He was living in Harlem when his little boy Sam was kidnapped. He was threatened and blackmailed and for a time the police believed he was in communication with the kidnappers and had promised to give up the ransom demanded. His brother Philip, however, did some

the arrest of three kidnappers. They were tried, convicted and sent to prison to serve fourteen year terms.

The Eighth avenue barber said that he had not received any threatening letters, and would not have been alarmed if he had, lie knew of a few people who had better look out, however, if the bomb was found to con-tain dynamite,

Short Stories of Unusual Happenings and Singular Experiences Picked Out of the Chronicles of To-Day.

Two preachers, four college professers a girk. They stopped only when unable and twenty-five college graduates are working as conductors on Pittsburg street cars.

They have all been employed within

the past two weeks. They say they couldn't get any other work. One of the clergymen has a night run through the worst part of the city, and has already made a record as a light suppressed. Born blind, G. C. Hopkins, of Colors and the clergymen has a record as a light suppressed.

BET ON THE WRONG HORSE, WON \$10,000. Turfman Carman, of San Francisco, sent his betting commissioner to place 10,000 on a horse on Saturday, but the commissioner made a mistake and put it on the wrong racer.

The "wrong" one was the victor and Carman doubled his money.

Born blind, G. C. Hopkins, of Colorado Springs, Col., has been made to see by an operation performed at Cleveiand. H is fifty years old:

When he entered the hospital he said he wanted his wife to b in first person he should see, but his sight came so quickly his wish was not granted.

STOP WOMAN AND CONSIDER

First, that almost every operation in our hospitals, performed upon women, becomes necessary because of neglect of such symptoms as Backache, Irregularities, Displace-ments, Pain in the Side, Pragging Sensations, Dizziness and Sleepless-

Second, that Lydia E. Pinkham's Vegetable impound, risde from native roots and herbs, has cured more cases of female ills than any

other one medicine known. It regulates, strengthens and restores women's health and is invaluable in preparing women for child-birth and during the period of Change of Life.

Third, the great volume of unsolicited and grateful testimonials on

file at the Pinkham Laboratory at Lynn, Mass. many of which are from time to time being published by special permission, give absolute evi-dence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs.

Lydia E. Pinkham's Vegetable Compound For more than 30 years has been curing Female Complaints, such as Dragging Sensations. Weak Back, Falling and Displacements, Inflammation and Ulceration, and Organic Diseases, and it dissolves and expels Tumors at an early stage.

Mrs. Pinkham's Standing Invitation to Women Women suffering from any form of female weakness are invited to write Mrs. Pinkham, Lynn, Mass. for advice. She is the Mrs. Pinkham who has been advising sick women free of charge for more than twenty years, and before that she assisted her mother in law, Lydin E. Pinkham in advising.
